

## THE STORY OF SUMMERHILL FARM

*At Butcher we are passionate about our Beef and are proud to say most of our Beef used in the restaurant is locally sourced from our owner Mark's farm, or otherwise sourced from trusted local producers and is 100% Irish.*

*Mark Williams is a third generation farmer. Summerhill Farm is located just nine miles outside Thomastown Co.Kilkenny, where he rears traditional beef breeds, including Purebred Hereford, Aberdeen Angus and Belted Galloway cattle.*

*Mark is passionate about farming and believes in ethical practices. He has been supplying his beef to the Catering Industry for the last 20 years. To open his own Steakhouse was a natural progression for him, applying his passion and knowledge, and so Butcher opened it's door on August 26th 2018.*

*Where possible we like to use local suppliers and 100% Irish produce.*
